_____

_____

Proposed days and times of operation: _____

Provide color photograph of the truck. _____

Do you have a State Victualer's License? _____

Did you vend from this location last year? _____

An insurance binder naming the City of Bath as a co-insured ____ is attached ____ will be provided prior to commencing operation.

Performance Standards:

1. The mobile food truck must contain all equipment needed for the preparation of food within the mobile vending unit including trash and recycling receptables.

2. The mobile food truck operator must keep the site clean of litter within a radius of thirty feet of the location and shall provide a receptacle immediately adjacent to the unit for associated trash. Trash and trash receptacles shall be removed each evening or when the truck leaves, and that trash shall not be placed in City trash receptacles.

3. The mobile food vending unit must not have any lighting except localized lighting used on or in the mobile unit for the purpose of food preparation and menu illumination.

4. Advertising for the unit shall be limited to the vendor's business or products and shall meet the requirements of Section 5-40.1 (obscene material prohibited) of the Code of the City of Bath.

5. The unit must be registered by the Maine Department of Motor Vehicles and licensed by the Maine Department of Health and Human Services and must be inspected by the Code Enforcement Officer of the City of Bath before commencing vending.

6. Mobile food units and any associated equipment must be maintained and operated in a safe, working condition at all times and in a manner which minimizes noise, exhaust

and odors impacting the public and surrounding public and private properties so as not to create a public or private nuisance. The operation of any mobile food unit which fails to meet the standards of safety established by the laws of the State or the City, operates in a manner that creates a threat to the health, safety, and welfare of the public, or fails to obey a lawful order of law enforcement or licensing personnel, shall be discontinued until such time as the deficiency is eliminated.

7. The applicant must provide liability insurance naming the City of Bath as a co-insured to cover use of the public way. The applicant agrees to keep the insurance in force while the vending activity takes place. At least 30 days notice will be provided to the Codes Enforcement Officer of cancellation of insurance applicable to vending activities.

8. Vending will take place between 6 AM and 10:30 PM. The truck will take no longer than 30 minutes to set up and take down, and will be removed from the sidewalk by 11 PM.

9. Vendors will not verbally solicit business.

See the Vending InThe Public Way ordinance for additional details. It's available on the City's website, in the Business Ordinance section of The City Clerk's page of the website, and/or from the Codes Enforcement Office.

The information provided is accurate. I am legally entitled to apply for this permit, and agree to abide by the sidewalk vending rules. I understand that this permit does not allow me to vend during Heritage Days.
