**Meeting called to order:** 4:30pm

**Minutes:** BP motion to accept minutes as presented 2nd by AF motion passed

**Directors Report:** Learned which capital items were in the budget, will get a new program director, will get his final budget after the Council meeting in April. Lights for McMann and tennis courts are in the budget. Had a very good skating season, 53 skating days and loaned out 212 pairs of skates. Now getting ready for the spring sports season.

**Deputy Director's Report:** Winter programs are finishing by end of the month, spring program sign ups are on going as are the summer offerings. Have a good turn out for the adult pickleball class as well as the tennis program. Have a bunch of applications for the summer councilors and are working with the YMCA on programs we can do together.

**Old Business:** Talked about next projects to upgrade Goddard's pond for next winter and what we have for money and material. We have a group that will help us complete the building rehab there. Continued discussions on how to recognize people who donated and worked the Goddard's pond project.

**Commissioner Comments:** None
