Pre-Application Workshop with the Planning Board

Prior to submitting an application for a Zoning Text or Map Amendment, Site Plan Review or Subdivision Review, the applicant may, at their option, schedule a pre-application workshop with the Planning Board. The workshop is informal and informational in nature, and does not constitute or result in any formal action. There is no fee for a pre-application workshop, and it does not cause any application to be deemed pending. No decision on the substance of the application may be made at the workshop. Applicants are encouraged to meet informally with the Planning Director prior to any pre-application workshop with the Planning Board.

The undersigned certifies that all information and materials submitted are true and accurate to the best of his/her knowledge, and understands that falsification or misrepresentation of any aspect of the project may cause the review process to be terminated or nullify any approvals granted.
