

**Rabies Ad-Hoc Committee
Minutes
Tuesday, March 15, 2022**

Attendance:

Mary Ellen Bell, Elizabeth Dingley, Roo Dunn, Anna Hunt, Marc Meyers

Summary

Committee reviewed previous ad-hoc committee's memo.

Discussion about education and contacting other communities.

Elizabeth Dingley would like to address problem with oral rabies vaccination program.

Next step determined to be outreach to surrounding communities to determine what the communities are doing to address rabies and would they be interested in partnering on ORV.

Marc Meyers will circulate contact list for municipalities of Brunswick, Harpswell, Phippsburg, Topsham and West Bath. Committee members will reach out to communities with list of questions about how they are handling rabies.
