

65 BOWERY

SHARED VISION

Welcome to
the Process!

Activate

Support economic development with appropriate land uses that are phased in over time

Link

Enhance connectivity by exploring opportunities to create safe pedestrian, bike, boat and vehicular access

Foster

Strategically cultivate the Green and Blue Economy by embracing climate positive innovation

Invite

Extend public access to the River and cluster the development to create privately-owned publicly accessible open space.

Future Proof

Build in resiliency measures by considering climate adaptation strategies from the start

Excite

Build community pride by developing an iconic addition to Bath through a commitment to excellence
