

PUBLIC NOTICE
Memorandum of Agreement

The Maine Department of Environmental Protection (MEDEP), Petroleum Management Division is hereby providing public notice of the intent of MEDEP to enter into a Memorandum of Agreement (MOA) with Bath Iron Works to establish an alternative procedure to the immediate reporting of certain oil discharges of ten (10) gallons or less at their Brunswick Outfit Fabrication and Structural Fabrication facilities. Under the Memorandum of Agreement, Bath Iron Works will clean-up any spills and maintain a log of these spills at the facility that is available to MEDEP personnel upon request. Bath Iron Works will also be required to send a copy of this log to MEDEP for review on an annual basis. This agreement would expire three (3) years from the signature date.

The purpose of this public notice is to initiate a thirty (30) calendar day comment period beginning on the date of publication. During this period, the public is invited to comment in writing on the proposal. The public may view a copy of the proposed Memorandum of Agreement by contacting MEDEP's Augusta office or at the clerk's office in Bath, Maine. A copy of the proposed Memorandum of Agreement will be mailed by the entity seeking an MOA to the clerk's office. If, after reviewing the project files, you would like to comment on the proposed Memorandum of Agreement, you should mail your comments to:

Director, Petroleum Management Division
Department of Environmental Protection
Bureau of Remediation and Waste Management
State House Station # 17
Augusta, Maine 04333-0017

Comments must be received by the Department by 5:00 PM on September 28, 2020. A final decision regarding the proposed Memorandum of Agreement will not be made until the comment period has ended. For more information call the MEDEP at 207-287-7688. The MEDEP files pertinent to the facility are available for public review by contacting MEDEP at:

Maine Department of Environmental Protection
